General information	12

This is a summary of the cover provided by our Home Insurance policy.

It highlights the main features and benefits and significant exclusions and limits of the policy to help you decide if the policy meets your needs. A significant exclusion is something that may affect your decision on whether the policy is suitable for you; it may also be unusual compared to other home insurance products in the market.

The policy document

This summary does not contain all the terms and conditions that may apply to the policy. You will find the terms and conditions in the policy document.

We will send your policy document to you after you have taken out the policy. If you wish, we can send you a copy before you take out the policy or you can see it on our website at www.baptist-insurance.co.uk/homeinsurance

Your policy schedule

When you take out cover with us we will send you a policy schedule that gives details of your cover and the property insured.

The policy offers you insurance cover for

- The buildings of your home (including your garages and outbuildings)
- Your household contents and personal belongings whilst they are in your home
- Your legal expenses for a range of legal issues, such as work related disputes and tax problems

In addition

Accidental damage

You can extend your buildings and contents cover to include accidental damage. Accidental damage includes cover for damage caused by accidents such as if you put your foot through your ceiling while you are in the loft or you spill paint on your carpet.

Contents cover

If you choose our contents cover you can extend it to include cover for personal belongings and valuables that you have with you when you're away from home.

Touring caravans and boats

You can also take out cover for your touring caravan or boat.

Duration of your policy

Your Home Insurance policy will be for 12 months from the start date shown on your policy schedule. We will send you notice when your policy is approaching renewal.

No Claims Discount (NCD)

This allows you to accumulate a discount on your premium at each renewal (up to a maximum of 20%) if you don't make a claim under the sections mentioned below. If a claim is made under any of these sections the NCD under that section will be reduced to nil.

Sections eligible for NCD:

- Buildings
- Contents
- Portable possessions

Claims made under other sections will not affect the NCD.
